Proper Citation: CDU Morphometry and Stereology Laboratory (RRID:SCR_009703)

Description: Core facility that provides the following services: Morphometric study design, Tissue embedding and sectioning service, Tissue embedding, sectioning and microscopy training. The Morphometry and Stereology Laboratory is a service and training laboratory for the faculty, students, and staff of CDU and other interested researchers. The mission of the laboratory is to: 1) teach up-to-date stereology theory and practical morphometric techniques; 2) help design unbiased efficient morphometric studies; 3) train researchers to use the equipment and software available in the laboratory; 4) develop an outreach program for community students to visit a microscopy research laboratory; 5) organize stereology workshops for CDU personnel and other interested researchers.

Resource Type: core facility, service resource, access service resource

Keywords: stereology, morphometry, light microscopy, tissue embedding, tissue sectioning, transmission electron microscopy
