Tango GPR92-bla U2OS

RRID:CVCL_ZK35

Type: Cell Line

Proper Citation

RRID:CVCL_ZK35

Cell Line Information

URL: https://web.expasy.org/cellosaurus/CVCL_ZK35

Proper Citation: RRID:CVCL_ZK35

Description: Cell line Tango GPR92-bla U2OS is a Cancer cell line with a species of origin Homo sapiens (Human)

Sex: Female

Disease: Osteosarcoma

Defining Citation: [PMID:19726785](#)

Comments: Discontinued: Thermo Fisher/Invitrogen; Catalog number K1843., Characteristics: Stably expresses a beta-arrestin/TEV protease fusion protein and a beta-lactamase reporter gene under the control of an upstream activator sequence (UAS)., Characteristics: The target GPCR is linked to a TEV protease cleavage site and a GAL4-VP16 transcription factor. When activated the GPCR recruits the beta-arrestin/TEV protease fusion protein, the TEV protease cleaves off the transcription factor that translocates to the nucleus to activate the expression of the bla gene., Population: Caucasian.

Category: Cancer cell line

Organism: Homo sapiens (Human)

Name: Tango GPR92-bla U2OS

Cross References: Wikidata:Q98133139

ID: CVCL_ZK35

Hierarchy: cvcl_zj93

Record Creation Time: 20220427T221620+0000

Record Last Update: 20260905T182535+0000

Ratings and Alerts

No rating or validation information has been found for Tango GPR92-bla U2OS.

Warning: Discontinued: Thermofisher/Invitrogen; Catalog number K1843.
