## MGC-803

RRID:CVCL\_5334

Type: Cell Line

### Proper Citation

RRID:CVCL\_5334

### Cell Line Information

**URL:** [https://web.expasy.org/cellosaurus/CVCL\\_5334](https://web.expasy.org/cellosaurus/CVCL_5334)

**Proper Citation:** RRID:CVCL\_5334

**Description:** Cell line MGC-803 is a Hybrid cell line with a species of origin Homo sapiens (Human)

**Defining Citation:** [PMID:24743803](#), [PMID:28107433](#), [PMID:28851942](#), [PMID:29683800](#), [PMID:29717028](#), [PMID:37543987](#), [PMID:38079103](#)

**Comments:** Miscellaneous: Formerly the CCRID database had 2 entries describing this cell line (3111C0001CCC000227, 3131C0001000700084). They were one of the sources for the STR profile of this entry., Problematic cell line: Contaminated. Seems to be an hybrid of HeLa and probably of a gastric cancer cell from an Asian individual. The STR profile is highly similar to that of HeLa yet shows some specific differences that suggest it is an hybrid cell line (PubMed=37543987; PubMed=38079103). Was originally thought to originate from a 53 year old male patient suffering from a poorly differentiated gastric mucinous adenocarcinoma..

**Category:** Hybrid cell line

**Organism:** Homo sapiens (Human)

**Name:** MGC-803

**Synonyms:** MGC803, MGc80-3

**Cross References:** BTO:BTO\_0004953, EFO:EFO\_0006286, ChEMBL-Cells:ChEMBL3706567, ChEMBL-Targets:ChEMBL3706566, Cosmic:2267321, GEO:GSM844588, GEO:GSM1374671, IARC\_TP53:24858, PubChem\_Cell\_line:CVCL\_5334, Ubigen:YC-C081, Wikidata:Q54905425

**ID:** CVCL\_5334

**Hierarchy:** cvcl\_0030

**Record Creation Time:** 20220427T220805+0000

**Record Last Update:** 20260905T181140+0000

---

## Ratings and Alerts

No rating or validation information has been found for MGC-803.

**Warning:** Problematic cell line: Possibly contaminated. May be a derivative of HeLa and another cell of unknown origin. The STR profile is highly similar to that of HeLa yet shows some specific differences that suggest a possible hybrid cell line.

Registration: International Cell Line Authentication Committee, Register of Misidentified Cell Lines; ICLAC-00588.
