Amphiphysin / AMPH antibody

RRID:AB_10722390

Type: Antibody

Proper Citation

GeneTex Cat# GTX89317, RRID:AB_10722390

Antibody Information

URL: http://antibodyregistry.org/AB_10722390

Proper Citation: GeneTex Cat# GTX89317, RRID:AB_10722390

Target Antigen: Amphiphysin / AMPH antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: Immunohistochemistry; Western Blot; ELISA; ELISA, Immunohistochemistry, Western Blot. Approx 125kDa band observed in mouse brain lysates (calculated MW of 76.3kDa according to NP_001626.1). The observed molecular weight corresponds to earlier findings in literature with different antibodies (Wigge et al, Mol Biol Cell. 1997 Oct;8(10):2003-15.; PMID: 9348539). Recommended concentration: 0.1-0.5µg/ml. A minor band of unknown identity was also consistently observed at 45kDa. This band was successfully blocked by incubation with the immunising peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? In paraffin embedded Human Cerebellum shows nucl

Antibody Name: Amphiphysin / AMPH antibody

Description: This polyclonal targets Amphiphysin / AMPH antibody

Target Organism: rat, canine, mouse, dog, human

Antibody ID: AB_10722390

Vendor: GeneTex

Catalog Number: GTX89317

Record Creation Time: 20250819T225441+0000

Record Last Update: 20250820T034150+0000

Ratings and Alerts

No rating or validation information has been found for Amphiphysin / AMPH antibody.

Warning: Discontinued at GeneTex
