NMDA receptor 1 / GRIN1 antibody

RRID:AB_10723134

Type: Antibody

Proper Citation

GeneTex Cat# GTX89302, RRID:AB_10723134

Antibody Information

URL: http://antibodyregistry.org/AB_10723134

Proper Citation: GeneTex Cat# GTX89302, RRID:AB_10723134

Target Antigen: NMDA receptor 1 / GRIN1 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Western Blot; ELISA, Western Blot. Approx 110kDa band observed in Rat Brain lysates (calculated MW of 105kDa according to NP_015566.1). Recommended concentration: 2-4µg/ml. A minor band of unknown identity was also consistently observed at 23-24kDa. This band was strong in Mouse Brain lysates and faint in Human Brain lysates. The band was successfully blocked by incubation with the immunising peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognise all three reported isoforms (NP_000823.4; NP_067544.1; NP_015566.1).

Antibody Name: NMDA receptor 1 / GRIN1 antibody

Description: This polyclonal targets NMDA receptor 1 / GRIN1 antibody

Target Organism: rat, canine, mouse, dog, human

Antibody ID: AB_10723134

Vendor: GeneTex

Catalog Number: GTX89302

Record Creation Time: 20250819T225610+0000

Ratings and Alerts

No rating or validation information has been found for NMDA receptor 1 / GRIN1 antibody.

Warning: Discontinued at GeneTex
