FOXP2 (internal) antibody

RRID:AB_10724612
Type: Antibody

Proper Citation

GeneTex Cat# GTX89199, RRID:AB_10724612

Proper Citation: GeneTex Cat# GTX89199, RRID:AB_10724612

Target Antigen: FOXP2 (internal) antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Western Blot; ELISA, Western Blot. Approx 85kDa band observed in Human Brain (Cerebellum and Frontal Cortex) lysates and in Rat Brain lysates (calculated MW of 82.6kDa according to NP_683696.1). Recommended concentration: 0.3-1µg/ml. An additional band of unknown identity was also consistently observed at 28-30kDa. This band was successfully blocked by incubation with the immunising peptide. We would appreciate any feedback from people in the field - have any such results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognize isoform I (NP_055306.1), isoform II (NP_683696.1) and isoform III (NP_683697.1 and NP_683698.1).

Antibody Name: FOXP2 (internal) antibody

Description: This polyclonal targets FOXP2 (internal) antibody

Target Organism: rat, canine, mouse, dog, human

Antibody ID: AB_10724612

Vendor: GeneTex

Catalog Number: GTX89199

Record Creation Time: 20250820T000948+0000

Record Last Update: 20250820T073251+0000

Ratings and Alerts

No rating or validation information has been found for FOXP2 (internal) antibody.

Warning: Discontinued at GeneTex
