SOCS5 antibody

RRID:AB_10725608
Type: Antibody

Proper Citation

GeneTex Cat# GTX89655, RRID:AB_10725608

Antibody Information

URL: http://antibodyregistry.org/AB_10725608

Proper Citation: GeneTex Cat# GTX89655, RRID:AB_10725608

Target Antigen: SOCS5 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA. Experiments gave bands at approx 48kDa and 24kDa in Human Brain lysate after 0.3µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 61.2kDa according to NP_054730 and NP_659198. Both detected bands were successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognise both transcript variants of this protein (as represented by NP_054730.1 and NP_659198.1) which encode the same protein.; ELISA

Antibody Name: SOCS5 antibody

Description: This polyclonal targets SOCS5 antibody

Target Organism: rat, porcine, cow, pig, mouse, bovine, human

Antibody ID: AB_10725608

Vendor: GeneTex

Catalog Number: GTX89655

Record Creation Time: 20250819T220642+0000

Record Last Update: 20250820T010834+0000

Ratings and Alerts

No rating or validation information has been found for SOCS5 antibody.

Warning: Discontinued at GeneTex
