GLUT8 / SLC2A8 antibody

RRID:AB_10726593

Type: Antibody

Proper Citation

GeneTex Cat# GTX89262, RRID:AB_10726593

Antibody Information

URL: http://antibodyregistry.org/AB_10726593

Proper Citation: GeneTex Cat# GTX89262, RRID:AB_10726593

Target Antigen: GLUT8 / SLC2A8 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave bands at approx 80kDa and 35kDa in Human Peripheral Blood Mononucleocyte lysates after 0.5µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 50.8kDa according to NP_055395.2. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? Added note: The observed 35kDa band corresponds to the calculated size of 34.4k

Antibody Name: GLUT8 / SLC2A8 antibody

Description: This polyclonal targets GLUT8 / SLC2A8 antibody

Target Organism: human

Antibody ID: AB_10726593

Vendor: GeneTex

Catalog Number: GTX89262

Record Creation Time: 20250819T235445+0000

Record Last Update: 20250820T064753+0000

Ratings and Alerts

No rating or validation information has been found for GLUT8 / SLC2A8 antibody.

Warning: Discontinued at GeneTex
