WHIP / WRNIP1 antibody

RRID:AB_10731748

Type: Antibody

Proper Citation

GeneTex Cat# GTX89707, RRID:AB_10731748

Antibody Information

URL: http://antibodyregistry.org/AB_10731748

Proper Citation: GeneTex Cat# GTX89707, RRID:AB_10731748

Target Antigen: WHIP / WRNIP1 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: Preliminary experiments gave an approx 45kDa band in human lung and brain lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the predicted sizes of 72kDa for isoform 1 according to NP_064520.2 and 69.5kDa for isoform 2 according to NP_569079.1. The 45kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognise both reported isoforms according to NP_569079.1 and NP_064520.2.
ELISA.; ELISA

Antibody Name: WHIP / WRNIP1 antibody

Description: This polyclonal targets WHIP / WRNIP1 antibody

Target Organism: rat, porcine, canine, cow, pig, mouse, bovine, dog, human

Antibody ID: AB_10731748

Vendor: GeneTex

Catalog Number: GTX89707

Record Creation Time: 20250819T214515+0000

Ratings and Alerts

No rating or validation information has been found for WHIP / WRNIP1 antibody.

Warning: Discontinued at GeneTex
