Rabbit Anti-Carboxy methyl Lysine Polyclonal Antibody, Unconjugated

RRID:AB_725920

Type: Antibody

Proper Citation

Abcam Cat# ab27684, RRID:AB_725920

Antibody Information

URL: http://antibodyregistry.org/AB_725920

Proper Citation: Abcam Cat# ab27684, RRID:AB_725920

Target Antigen: Carboxymethyl Lysine

Host Organism: rabbit

Clonality: polyclonal

Comments: validation status unknown, seller recommendations provided in 2012: ELISA; Other; Western Blot; Conjugation, ELISA, Western Blot

Info: Independent validation by the NYU Lagone was performed for: IHC. This antibody was found to have the following characteristics: Functional in human:TRUE, NonFunctional in human:FALSE, Functional in animal:FALSE, NonFunctional in animal:FALSE

Antibody Name: Rabbit Anti-Carboxy methyl Lysine Polyclonal Antibody, Unconjugated

Description: This polyclonal targets Carboxymethyl Lysine

Antibody ID: AB_725920

Vendor: Abcam

Catalog Number: ab27684

Record Creation Time: 20250820T005017+0000

Record Last Update: 20250820T091942+0000

Ratings and Alerts

- Independent validation by the NYU Lagone was performed for: IHC. This antibody was found to have the following characteristics: Functional in human:TRUE, NonFunctional in human:FALSE, Functional in animal:FALSE, NonFunctional in animal:FALSE - NYU Langone's Center for Biospecimen Research and Development <https://med.nyu.edu/research/scientific-cores-shared-resources/center-biospecimen-research-development>

No alerts have been found for Rabbit Anti-Carboxy methyl Lysine Polyclonal Antibody, Unconjugated.
