CPLA2-zeta antibody

RRID:AB_10720544

Type: Antibody

Proper Citation

GeneTex Cat# GTX88037, RRID:AB_10720544

Antibody Information

URL: http://antibodyregistry.org/AB_10720544

Proper Citation: GeneTex Cat# GTX88037, RRID:AB_10720544

Target Antigen: CPLA2-zeta antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave bands at approx 55-60kDa and 35kDa in Human Placenta lysates after 1µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the bands we observe given the calculated size of 95.1kDa according to NP_998765.3. Both detected bands were successfully blocked by incubation with the immunizing peptide (and BLAST results with the immunizing peptide sequence did not identify any other proteins to explain the additional bands). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? ELISA.

Antibody Name: CPLA2-zeta antibody

Description: This polyclonal targets CPLA2-zeta antibody

Target Organism: rat, cow, mouse, bovine, human

Antibody ID: AB_10720544

Vendor: GeneTex

Catalog Number: GTX88037

Record Creation Time: 20250820T000220+0000

Ratings and Alerts

No rating or validation information has been found for CPLA2-zeta antibody.

Warning: Discontinued at GeneTex
