Endothelial lipase antibody

RRID:AB_10725305

Type: Antibody

Proper Citation

GeneTex Cat# GTX88568, RRID:AB_10725305

Antibody Information

URL: http://antibodyregistry.org/AB_10725305

Proper Citation: GeneTex Cat# GTX88568, RRID:AB_10725305

Target Antigen: Endothelial lipase antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: Approx. 70kDa band observed in Human Liver lysates (calculated MW of 56.8kDa according to NP_006024.1). The observed molecular weight corresponds to earlier findings in literature with different antibodies (Gauster et al, J Clin Endocrinol Metab. 2007 Jun;92(6):2256-63. Epub 2007 Mar 13.; PMID: 17356047). Recommended concentration: 0.3-1µg/ml. An additional band of unknown identity was also consistently observed at 30kDa. This band was successfully blocked by incubation with the immunising peptide. We would appreciate any feedback from people in the field - have any such results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? ELISA, Western Blot.; ELISA; Western Blot

Antibody Name: Endothelial lipase antibody

Description: This polyclonal targets Endothelial lipase antibody

Target Organism: human

Antibody ID: AB_10725305

Vendor: GeneTex

Catalog Number: GTX88568

Record Creation Time: 20250819T233435+0000

Ratings and Alerts

No rating or validation information has been found for Endothelial lipase antibody.

Warning: Discontinued at GeneTex
