Fibrillin 2 antibody

RRID:AB_10726452

Type: Antibody

Proper Citation

GeneTex Cat# GTX89451, RRID:AB_10726452

Antibody Information

URL: http://antibodyregistry.org/AB_10726452

Proper Citation: GeneTex Cat# GTX89451, RRID:AB_10726452

Target Antigen: Fibrillin 2 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 30-35kDa band in human placenta lysates after 0.3 µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 315kDa according to NP_001990.2. The 30-35kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? ELISA.

Antibody Name: Fibrillin 2 antibody

Description: This polyclonal targets Fibrillin 2 antibody

Target Organism: canine, cow, bovine, dog, human

Antibody ID: AB_10726452

Vendor: GeneTex

Catalog Number: GTX89451

Record Creation Time: 20250820T001355+0000

Record Last Update: 20250820T074331+0000

Ratings and Alerts

No rating or validation information has been found for Fibrillin 2 antibody.

Warning: Discontinued at GeneTex
