pRluc-LC3G120A

RRID:Addgene_105003

Type: Plasmid

Proper Citation

RRID:Addgene_105003

Plasmid Information

URL: <http://www.addgene.org/105003>

Proper Citation: RRID:Addgene_105003

Insert Name: LC3B

Organism: Rattus norvegicus

Bacterial Resistance: Kanamycin

Defining Citation: [PMID:28237095](#)

Vector Backbone Description: Backbone Marker:Clontech; Backbone Size:4000; Vector Backbone:pEGFP-C1; Vector Types:Mammalian Expression, Luciferase; Bacterial Resistance:Kanamycin

Plasmid Name: pRluc-LC3G120A

Relevant Mutation: Glycine 120 mutated to alanine, prevents lipidation of the protein and thereby its binding to autophagosomal membranes

Record Creation Time: 20220422T221509+0000

Record Last Update: 20260912T091412+0000

Ratings and Alerts

No rating or validation information has been found for pRluc-LC3G120A.

No alerts have been found for pRluc-LC3G120A.
