pMB80 (R26-CreER)

RRID:Addgene_12168

Type: Plasmid

Proper Citation

RRID:Addgene_12168

Plasmid Information

URL: <http://www.addgene.org/12168>

Proper Citation: RRID:Addgene_12168

Insert Name: Rosa26 CreER^{T2}

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:17360635](#)

Vector Backbone Description: Backbone Marker:P. Soriano; Backbone Size:0; Vector Backbone:pROSA26-1; Vector Types:Mammalian Expression, Cre/Lox; Bacterial Resistance:Ampicillin

Comments: Targeting vector to generate R26-CreER^{T2} mice. XbaI/MluI SA-CreER^{T2} fragment of pMB61, MluI/XbaI PA-floxed PGK-Puro fragment of pMB75, and XbaI-digested modified version of pROSA26-1 vector where SacII site is replaced by an AscI linearization site. See sequence link for sequence of insert from author. Please note that there are minor errors in the sequence, specifically there are no XbaI sites within the insert. Please see Addgene test digest with XbaI for the expected bands.

Plasmid Name: pMB80 (R26-CreER)

Record Creation Time: 20220422T221636+0000

Record Last Update: 20260815T080336+0000

Ratings and Alerts

No rating or validation information has been found for pMB80 (R26-CreER).

No alerts have been found for pMB80 (R26-CreER).
