pLKO-shPKM2_4

RRID:Addgene_42516

Type: Plasmid

Proper Citation

RRID:Addgene_42516

Plasmid Information

URL: <http://www.addgene.org/42516>

Proper Citation: RRID:Addgene_42516

Insert Name: shRNA-PKM2

Organism: Homo sapiens

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:22052977](#)

Vector Backbone Description: Backbone Marker:The RNAi consortium; Backbone Size:7032; Vector Backbone:pLKO.1; Vector Types:Lentiviral; Bacterial Resistance:Ampicillin

Comments: The depositing scientist notes: NM_011099.3 is PKM2 and NM_001253883.1 is PKM1, based on sequence homology of the respective translated products to the human PKM isoforms. The isoform annotations in the corresponding GeneBank entries are incorrect.

Plasmid Name: pLKO-shPKM2_4

Record Creation Time: 20220422T222219+0000

Record Last Update: 20260912T092712+0000

Ratings and Alerts

No rating or validation information has been found for pLKO-shPKM2_4.

No alerts have been found for pLKO-shPKM2_4.
