Stat3 Flag pRc/CMV

RRID:Addgene_8707

Type: Plasmid

Proper Citation

RRID:Addgene_8707

Plasmid Information

URL: <http://www.addgene.org/8707>

Proper Citation: RRID:Addgene_8707

Insert Name: Stat3

Organism: Mus musculus

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:7774815](#)

Vector Backbone Description: Backbone Marker:Invitrogen; Backbone Size:5500; Vector Backbone:pRc/CMV; Vector Types:Mammalian Expression; Bacterial Resistance:Ampicillin

Comments: Diagnostic Restriction Digest with BamHI (3.2kb, 2.8kb, and 2.0kb). Due to a stop codon error made when tagging the Stat3 clone with FLAG (DYKDDDDK) additional residues precede (SR) and follow the tag (GPYSIVSPKC STOP). The Apal cloning site is GGG CCC, which encodes the G and P residues coming after the FLAG tag. Therefore, if the insert is removed with a NotI and Apal digestion, it will not have a stop codon included.
* E16K mutation found during QC

Plasmid Name: Stat3 Flag pRc/CMV

Relevant Mutation: *see comments

Record Creation Time: 20220422T222559+0000

Record Last Update: 20260725T075318+0000

Ratings and Alerts

No rating or validation information has been found for Stat3 Flag pRc/CMV.

No alerts have been found for Stat3 Flag pRc/CMV.
