Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 6,2023. If you or someone you love has been diagnosed with dementia caused by Alzheimer's disease, you'll be in good hands at Jefferson. Our neurologists and psychiatrists are dedicated to: Compassionate care for individuals with Alzheimer's disease; Supporting families; Advancing care through research into the epidemiology and treatment of neurodegenerative diseases. We interact with patients very early in the disease progression, when impairment is typically mild; deliver state-of-the-art care; provide information; build care-giving skills; and help caregivers connect with community support and plan for the future.
