Sequencher

RRID:SCR_001528

Type: Tool

Proper Citation

Sequencher (RRID:SCR_001528)

Resource Information

URL: <http://genecodes.com/sequencher>

Proper Citation: Sequencher (RRID:SCR_001528)

Description: Software for Next-Generation DNA sequencing, Sanger DNA analysis, and RNA sequencing. It contains sequence analysis tools which include reference-guided alignments, de novo assembly, variant calling, and SNP analyses. It has integrated the Cufflinks suite for in-depth transcript analysis and differential gene expression of RNA-Seq data.

Abbreviations: Sequencher sequence analysis software

Synonyms: Sequencher sequence analysis software

Resource Type: data processing software, software resource, data analysis software, sequence analysis software, software application

Keywords: dna, sequencing, sequence analysis software, NGS, sanger, data visualization

Availability: Available for download

Resource Name: Sequencher

Resource ID: SCR_001528

Alternate IDs: OMICS_01817

Alternate URLs: <http://genecodes.com/sequencher-features>

License: Commercial license

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260818T043128+0000

Ratings and Alerts

No rating or validation information has been found for Sequencher.

No alerts have been found for Sequencher.
