URL: http://www.kaust.edu.sa/

Proper Citation: King Abdullah University of Science and Technology; Makkah Province; Saudi Arabia (RRID:SCR_001758)

Description: Private research university in Thuwal, Saudi Arabia that offers undergraduate and graduate degree programs in Biological and Environmental Science and Engineering (BESE), Computer, Electrical, and Mathematical Science and Engineering (CEMSE), and Physical Science and Engineering (PSE).

Abbreviations: KAUST

Synonyms: King Abdullah University of Science and Technology

Resource Type: university

Keywords: private, research, saudi arabia

Funding:

Resource Name: King Abdullah University of Science and Technology; Makkah Province;

Saudi Arabia

Resource ID: SCR_001758

Alternate IDs: ISNI:0000 0001 1926 5090, grid.45672.32, Wikidata:Q1463036, Crossref

funder ID:501100004052, nlx_156708

Alternate URLs: https://ror.org/01q3tbs38

Record Creation Time: 20220129T080209+0000

Record Last Update: 20250420T014038+0000

Ratings and Alerts

No rating or validation information has been found for King Abdullah University of Science and Technology; Makkah Province; Saudi Arabia.

No alerts have been found for King Abdullah University of Science and Technology; Makkah Province; Saudi Arabia.
