Proper Citation

Longhorn Array Database (RRID:SCR_001895)

Resource Information

URL: http://lad.icmb.utexas.edu/index_smd.shtml

Proper Citation: Longhorn Array Database (RRID:SCR_001895)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 23,2022. The Longhorn Array Database (LAD) is a MIAME compliant microarray database that operates on PostgreSQL and Linux. It is a fully open source version of the Stanford Microarray Database (SMD), one of the largest microarray databases. LAD provides a simple, free, open, reliable and proven solution for storage and analysis of two-color microarray data. It stores raw and normalized data from microarray experiments, as well as their corresponding image files. In addition, LAD provides interfaces for data retrieval, analysis, and visualization.

Abbreviations: LAD

Resource Type: data processing software, database, software application, data analysis software, software resource, data storage software, data or information resource

Defining Citation: PMID:12930545

Keywords: microarray

Funding: NIAAA AA13518

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Longhorn Array Database

Resource ID: SCR_001895

Alternate IDs: nif-0000-10465

Old URLs: http://www.longhornarraydatabase.org/index.html

Record Creation Time: 20220129T080210+0000

Record Last Update: 20250418T054949+0000

Ratings and Alerts

No rating or validation information has been found for Longhorn Array Database.

No alerts have been found for Longhorn Array Database.
