TherMos

RRID:SCR_002790

Type: Tool

Proper Citation

TherMos (RRID:SCR_002790)

Resource Information

URL: <http://collaborations.gis.a-star.edu.sg/~cmb6/TherMos/>

Proper Citation: TherMos (RRID:SCR_002790)

Description: Software used for estimating protein-DNA binding energies from in vivo binding profiles. It is a de novo motif discovery algorithm that exploits the information in transcription factor ChIP-seq or ChIP-exo datasets based on a more natural thermodynamic formalism., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Resource Type: algorithm resource, software resource

Defining Citation: [PMID:23595148](#)

Keywords: protein dna binding energy, in vivo binding profiles, motif discovery

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: TherMos

Resource ID: SCR_002790

Alternate IDs: OMICS_00498

Record Creation Time: 20220129T080215+0000

Record Last Update: 20260819T044042+0000

Ratings and Alerts

No rating or validation information has been found for TherMos.

No alerts have been found for TherMos.
