Type: Tool

Proper Citation

Agency for Healthcare Research and Quality (RRID:SCR_003604)

Resource Information

URL: <http://www.ahrq.gov/data/>

Proper Citation: Agency for Healthcare Research and Quality (RRID:SCR_003604)

Description: Agency that produces evidence to make health care safer, higher quality, more accessible, equitable, and affordable. Funding opportunities, grants, and a large collection of longitudinal hospital care data in the United States including the Systematic Review Data Repository and data sources on healthcare cost, quality, and accessibility, emergency room visits, hospitalization, and medical insurance are available. It works within the U.S. Department of Health and Human Services and with other partners to make sure that the evidence is understood and used.

Abbreviations: AHRQ

Synonyms: Agency for Healthcare Research and Quality (AHRQ)
