National Alliance for Medical Image Computing

RRID:SCR_004460 Type: Tool

Proper Citation

National Alliance for Medical Image Computing (RRID:SCR_004460)

Resource Information

URL: http://www.na-mic.org/

Proper Citation: National Alliance for Medical Image Computing (RRID:SCR_004460)

Description: The National Alliance for Medical Image Computing (NA-MIC) is a multiinstitutional, interdisciplinary team of computer scientists, software engineers, and medical investigators who develop computational tools for the analysis and visualization of medical image data. The purpose of the Center is to provide the infrastructure and environment for the development of computational algorithms and open-source technologies, and then oversee the training and dissemination of these tools to the medical research community. Electronic resources provided by NA-MIC include software, data, tutorials, presentations, and more.

Abbreviations: NA-MIC, NAMIC

Resource Type: data set, organization portal, training material, software resource, portal, narrative resource, data or information resource

Defining Citation: PMID:22081219, PMID:27498015

Keywords: tutorial, brain, presentation, documentation, image, medical, computational tool, imaging

Funding: NIH

Resource Name: National Alliance for Medical Image Computing

Resource ID: SCR_004460

Alternate IDs: nlx_45301

Record Creation Time: 20220129T080224+0000

Record Last Update: 20250418T055045+0000

Ratings and Alerts

No rating or validation information has been found for National Alliance for Medical Image Computing.

No alerts have been found for National Alliance for Medical Image Computing.
