Pplacer

RRID:SCR_004737

Type: Tool

Proper Citation

Pplacer (RRID:SCR_004737)

Resource Information

URL: <http://matsen.fhcrc.org/pplacer/>

Proper Citation: Pplacer (RRID:SCR_004737)

Description: Software that places query sequences on a fixed reference phylogenetic tree to maximize phylogenetic likelihood or posterior probability according to a reference alignment. Pplacer is designed to be fast, to give useful information about uncertainty, and to offer advanced visualization and downstream analysis.

Abbreviations: Pplacer

Synonyms: pplacer: phylogenetic placement and downstream analysis

Resource Type: software resource

Defining Citation: [PMID:21034504](#)

Keywords: classification, phylogenetic classification

Resource Name: Pplacer

Resource ID: SCR_004737

Alternate IDs: OMICS_01462

Record Creation Time: 20220129T080226+0000

Record Last Update: 20260815T182252+0000

Ratings and Alerts

No rating or validation information has been found for Pplacer.

No alerts have been found for Pplacer.
