Description: An independent, non-profit organization, Lifeline of Ohio (LOOP), promotes and coordinates the donation of human organs and tissue for transplantation. Its mission is to educate and empower central and southeastern Ohioans about organ and tissue donation while also facilitating the donation process. Lifeline of Ohio, a Donate Life Organization, has been approved by the Centers for Medicare and Medicaid Services (CMS) as the designated organ procurement organization (OPO) serving 37 Ohio counties along with Wood and Hancock counties in West Virginia. Accredited by both the Association of Organ Procurement Organizations (AOPO) and the American Association of Tissue Banks (AATB), Lifeline of Ohio provides services to 70 hospitals and the communities they serve through its procurement and tissue coordinators, and other professional staff.
