Proper Citation: NCBI Popset (RRID:SCR_005049)

Description: Database containing a set of DNA sequences that have been collected to analyse the evolutionary relatedness of a population. The population could originate from different members of the same species, or from organisms from different species. Users may submit a Popset using Sequin.

Abbreviations: PopSet

Synonyms: Entrez PopSet

Resource Type: data or information resource, storage service resource, data repository, database, service resource

Keywords: nucleotide sequence, nucleotide, sequence, dna sequence, dna, evolution, population, genomics, eukaryotic cell, mutation, phylogenetic, ecosystem, gold standard

Resource Name: NCBI Popset

Resource ID: SCR_005049

Alternate IDs: nlx_99613, r3d100010777
