EBIMed

RRID:SCR_005314

Type: Tool

Proper Citation

EBIMed (RRID:SCR_005314)

Resource Information

URL: <http://www.ebi.ac.uk/Rebholz-srv/ebimed/>

Proper Citation: EBIMed (RRID:SCR_005314)

Description: A web application that combines Information Retrieval and Extraction from Medline. EBIMed finds Medline abstracts in the same way PubMed does. Then it goes a step beyond and analyses them to offer a complete overview on associations between UniProt protein/gene names, GO annotations, Drugs and Species. The results are shown in a table that displays all the associations and links to the sentences that support them and to the original abstracts. By selecting relevant sentences and highlighting the biomedical terminology EBIMed enhances your ability to acquire knowledge, relate facts, discover implications and, overall, have a good overview economizing the effort in reading.

Abbreviations: EBIMed

Resource Type: service resource

Keywords: protein, gene, annotation, drug, specie, association, database

Funding:

Resource Name: EBIMed

Resource ID: SCR_005314

Alternate IDs: OMICS_01180

Record Creation Time: 20220129T080229+0000

Record Last Update: 20250420T014248+0000

Ratings and Alerts

No rating or validation information has been found for EBIMed.

No alerts have been found for EBIMed.
