**Proper Citation:** University of Colorado School of Medicine Department of Neurology (RRID:SCR\_005351)

**Description:** The Department is part of the University of Colorado Anschutz Medical Center and is one of the largest Academic Medical Centers between Chicago and the West Coast. The School of Medicine is in the top 25 schools nationally in NIH funding and includes numerous nationally recognized affiliated hospitals. Our Department is composed of over 30 primary faculty members whose clinical and research interests and activities encompass virtually all aspects of neurology. Faculty are integrated into functional units including Behavioral Neurology, Cerebrovascular Diseases, Epilepsy and Sleep Disorders, Infectious Disease, Movement Disorders, Multiple Sclerosis, Neuromuscular Disorders, Neuro-oncology, and Neuro-ophthalmology each of which strives to provide cutting-edge diagnostic and therapeutic services to patients and families dealing with neurological disease. Our faculty have clinical activities at four affiliated teaching hospitals (The Childrens Hospital, Denver Health Medical Center, Denver Veterans Affairs Medical Center, University Hospital), each of which brings unique clinical, educational, and research strengths to our program. Clinical, research and educational programs are closely linked to the Division of Pediatric Neurology of the Department of Pediatrics. The educational mission of the Department includes primary responsibility for the training of medical students in required neurology clerkships, an ACGME accredited Neurology Residency Training Program (16 positions), Clinical Fellowships (Behavioral Neurology, Cerebrovascular Disease, CNS Infections, Epilepsy, Movement Disorders, Neuromuscular Disease, MS) and both clinical and laboratory based fellowships in neurology research. The clinical enterprise includes busy outpatient, inpatient and consultation services, as exemplified by over 12,000 outpatient visits and over 800 annual admissions at UH.
