Polbase

RRID:SCR_006107

Type: Tool

Proper Citation

Polbase (RRID:SCR_006107)

Resource Information

URL: <http://polbase.neb.com/>

Proper Citation: Polbase (RRID:SCR_006107)

Description: Repository of biochemical, genetic, and structural information about DNA Polymerases. Polbase is designed to compile detailed results of polymerase experimentation, presenting them in a dynamic view to inform further research. After validation, results from references are displayed in context with relevant experimental details and are always traceable to their source publication. Polbase is connected to other resources, including PubMed, UniProt and the RCSB Protein Data Bank, to provide multi-faceted views of polymerase knowledge. In addition to a simple web interface, Polbase data is exposed for custom analysis by external software.

Synonyms: DNA Polymerase Database

Resource Type: data or information resource, data repository, database, service resource, storage service resource

Defining Citation: [PMID:21993301](#)

Keywords: dna polymerase repository, bio.tools

Funding: Small Business Innovation Research ;
NIGMS 1R44GM087021

Availability: Free, Open unspecified license, Acknowledgement required

Resource Name: Polbase

Resource ID: SCR_006107

Alternate IDs: biotools:polbase, nlx_151580

Alternate URLs: <https://bio.tools/polbase>

Record Creation Time: 20220129T080234+0000

Record Last Update: 20260912T195635+0000

Ratings and Alerts

No rating or validation information has been found for Polbase.

No alerts have been found for Polbase.
