REDfly Regulatory Element Database for Drosophila

RRID:SCR_006790

Type: Tool

Proper Citation

REDfly Regulatory Element Database for Drosophila (RRID:SCR_006790)

Resource Information

URL: <http://redfly.ccr.buffalo.edu>

Proper Citation: REDfly Regulatory Element Database for Drosophila (RRID:SCR_006790)

Description: Curated collection of known Drosophila transcriptional cis-regulatory modules (CRMs) and transcription factor binding sites (TFBSs). Includes experimentally verified fly regulatory elements along with their DNA sequence, associated genes, and expression patterns they direct. Submission of experimentally verified cis-regulatory elements that are not included in REDfly database are welcome.

Abbreviations: REDfly

Synonyms: Regulatory Element Database for Drosophila, Regulatory Element Database

Resource Type: data or information resource, data repository, database, service resource, storage service resource

Defining Citation: [PMID:20965965](#), [PMID:18039705](#), [PMID:16303794](#)

Keywords: transcriptional cis-regulatory module, transcription factor binding site, dna sequence, gene, expression pattern, genome, gene expression, transcription factor, cis-regulatory module, bio.tools

Funding: NIGMS U24 GM144232;
NSF EF0843229

Availability: Acknowledgement requested

Resource Name: REDfly Regulatory Element Database for Drosophila

Resource ID: SCR_006790

Alternate IDs: OMICS_01870, biotools:redfly, nif-0000-03393

Alternate URLs: <https://bio.tools/redfly>

Record Creation Time: 20220129T080238+0000

Record Last Update: 20260912T195645+0000

Ratings and Alerts

No rating or validation information has been found for REDfly Regulatory Element Database for Drosophila.

No alerts have been found for REDfly Regulatory Element Database for Drosophila.
