Federal Interagency Traumatic Brain Injury Research Informatics System

RRID:SCR_006856

Type: Tool

Proper Citation

Federal Interagency Traumatic Brain Injury Research Informatics System
(RRID:SCR_006856)

Resource Information

URL: <https://fitbir.nih.gov/>

Proper Citation: Federal Interagency Traumatic Brain Injury Research Informatics System (RRID:SCR_006856)

Description: Platform for Traumatic Brain Injury relevant data. System was developed to share data across entire TBI research field and to facilitate collaboration between laboratories and interconnectivity between informatics platforms. FITBIR implements interagency Common Data Elements for TBI research and provides tools and resources to extend data dictionary. Established submission strategy to ensure high quality and to provide maximum benefit to investigators. Qualified researchers can request access to data stored in FITBIR and/or data stored at federated repositories.

Abbreviations: FITBIR

Synonyms: Federal Interagency Traumatic Brain Injury Research (FITBIR) Informatics System, FITBIR Informatics System

Resource Type: narrative resource, service resource, data repository, data or information resource, storage service resource, database, topical portal, standard specification, portal

Keywords: Traumatic, brain, injury, platform, common, data, element, medical, imaging, clinical, assessment, environment, behavior, brain, magnetic, resonance

Related Condition: Traumatic Brain Injury

Funding: NINDS ;
U.S. Army Medical Research and Material Command ;
Center for Information Technology

Availability: Restricted

Resource Name: Federal Interagency Traumatic Brain Injury Research Informatics System

Resource ID: SCR_006856

Alternate IDs: nlx_151755, r3d100012837

Alternate URLs: <https://doi.org/10.17616/R31NJMED>

Record Creation Time: 20220129T080238+0000

Record Last Update: 20260818T043257+0000

Ratings and Alerts

No rating or validation information has been found for Federal Interagency Traumatic Brain Injury Research Informatics System.

No alerts have been found for Federal Interagency Traumatic Brain Injury Research Informatics System.
