### Resource Information

**URL:** <http://www.sapientaproject.com/>

**Proper Citation:** Sapienta (RRID:SCR\_006993)

**Description:** Software to help researchers process scientific papers faster and get the information they are interested in out of them. This is achieved by automating the recognition of core scientific concepts such as Motivation, Method, Result, Conclusion in papers and uses them to generate automatic summaries. This SAPIENTA tool adds additional functionality to the SAPIENT tool, an annotation tool implemented as a web application which enables experts to annotate scientific papers, sentence by sentence manually, according to the Core Scientific Concept (CSC) schema.

**Abbreviations:** SAPIENTA

**Synonyms:** SAPIENTA - Automating the Semantic Annotation of Papers, Semantic Annotation of Papers: Interface & ENrichment Tool Automated

**Resource Type:** software resource, software application, source code

**Keywords:** semantic mark up, semantic, annotation, annotation software

**Funding:** JISC

**Resource Name:** Sapienta

**Resource ID:** SCR\_006993

**Alternate IDs:** nlx\_151311

**Record Creation Time:** 20220129T080239+0000

**Record Last Update:** 20260808T190406+0000

---

### Ratings and Alerts

No rating or validation information has been found for Sapiaenta.

No alerts have been found for Sapiaenta.
