Proper Citation

Gene Expression Profile Analysis Suite (RRID:SCR_008341)

Resource Information

URL: http://www.gepas.org/

Proper Citation: Gene Expression Profile Analysis Suite (RRID:SCR_008341)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on May 12,2023. An integrated packages of tools for microarray data analysis. GEPAS provides a web-based interface that offers diverse analysis options from the early step of preprocessing (normalization of Affymetrix and two-color microarray experiments and other preprocessing options), to the final step of the functional profiling of the experiment (using Gene Ontology, pathways, PubMed abstracts etc.), which include different possibilities for clustering, gene selection, class prediction and array-comparative genomic hybridization management.

Synonyms: Gepas

Resource Type: data processing software, software application, software resource

Keywords: expression, gene, analysis, genomic, microarray, microarray platform, prediction, data set

Funding:

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Gene Expression Profile Analysis Suite

Resource ID: SCR_008341

Alternate IDs: nif-0000-25201

Record Creation Time: 20220129T080246+0000

Record Last Update: 20250509T055905+0000

Ratings and Alerts

No rating or validation information has been found for Gene Expression Profile Analysis Suite.

No alerts have been found for Gene Expression Profile Analysis Suite.
