Transfer RNA database

RRID:SCR_008636

Type: Tool

Proper Citation

Transfer RNA database (RRID:SCR_008636)

Resource Information

URL: <http://trnadb.bioinf.uni-leipzig.de>

Proper Citation: Transfer RNA database (RRID:SCR_008636)

Description: tRNAdb 2009 provides a powerful and fast search engine. Taxons can be identified by browsing the taxonomic tree or by using the search form. Queries can include DNA or RNA sequences, amino acid family, anticodon, references, Pubmed-ID of the reference, gene ID as well as comments. In addition, individual searches concerning sequence or structure characteristics are possible. The server accepts IDs of the new as well as the old tRNA database as queries and can perform BLAST searches. All sequences can be downloaded in several file- and alignment formats on the result list. This site is hosted and maintained in a cooperation between the universities of Leipzig (Germany), Marburg (Germany) and Strasbourg (France). Recent Visitors

Synonyms: tRNAdb

Resource Type: database, data or information resource

Resource Name: Transfer RNA database

Resource ID: SCR_008636

Alternate IDs: nif-0000-32030

Record Creation Time: 20220129T080248+0000

Record Last Update: 20260808T190422+0000

Ratings and Alerts

No rating or validation information has been found for Transfer RNA database.

No alerts have been found for Transfer RNA database.
