FBIRN Image Processing Scripts

RRID:SCR_009471

Type: Tool

Proper Citation

FBIRN Image Processing Scripts (RRID:SCR_009471)

Resource Information

URL: <http://www.nitrc.org/projects/fips/>

Proper Citation: FBIRN Image Processing Scripts (RRID:SCR_009471)

Description: A FSL package for the comprehensive management of large-scale multi-site fMRI projects, including data storage, retrieval, calibration, analysis, multi-modal integration, and quality control.

Abbreviations: FIPS

Synonyms: FBIRN Image Processing Scripts (FIPS)

Resource Type: software application, software resource, data management software

Keywords: analyze, csh/tcsh, database application, dicom, linux, macos, magnetic resonance, posix/unix-like, statistical operation, unix shell, web environment

Availability: BIRN License, BSD License

Resource Name: FBIRN Image Processing Scripts

Resource ID: SCR_009471

Alternate IDs: nlx_155618

Record Creation Time: 20220129T080253+0000

Record Last Update: 20260729T044226+0000

Ratings and Alerts

No rating or validation information has been found for FBIRN Image Processing Scripts.

No alerts have been found for FBIRN Image Processing Scripts.
