Proper Citation: Harvard FAS Center for Crystallographic Studies (RRID:SCR_009843)

Description: Core facility that provides the following services: Macromolecular X-ray diffraction service, Charge density analysis, Single-Crystal service, Crystal mounting service, Cambridge structural database access, Inorganic crystal structure database access. The X-ray diffraction facility in Harvard University offers single crystal X-ray data collection, structure solution and refinement of small molecule structures.

Resource Type: access service resource, core facility, service resource

Keywords: x-ray crystallography assay

Resource Name: Harvard FAS Center for Crystallographic Studies
