Proper Citation: Howard Biostatistics Core (RRID:SCR_009863)

Description: The Biostatistics Core is a resource for Howard University Cancer Center (HUCC) that provides statistical and computer/data management support services to affiliated members. Members of the Biostatistics Core provide advice in matters of design, randomization, power analysis, data processing, quality control, database development and management and statistical analysis in clinical and population based studies. The Biostatistics Core aims at excellence in biostatistical and methodological issues related to cancer studies and to advocate proper use of statistics, data monitoring and data analysis.
