Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on January 26,2026. The overall goal of the Center for Information Technologies and Telecommunications (CentIT2) is to provide specialized information technology services to support research, professional development and global interactions at the University of Puerto Rico Medical Sciences Campus. Collaboration from other information technology units from the University of Puerto Rico Medical Sciences Campus (MSC) and from the University of Puerto Rico (UPR) System has been secured to provide access to their unique assets when necessary, avoiding duplication of resources.

Resource Type: core facility, service resource, access service resource

Availability: THIS RESOURCE IS NO LONGER IN SERVICE
