973 Program

RRID:SCR_011494

Type: Tool

Proper Citation

973 Program (RRID:SCR_011494)

Resource Information

URL: http://www.most.gov.cn/eng/programmes1/200610/t20061009_36223.htm

Proper Citation: 973 Program (RRID:SCR_011494)

Description: A Chinese-based national program for furthering basic scientific research. The program has three main aims, which include: supporting research on issues concerning national socioeconomic development, creating a highly-skilled cohort of scientists, and improving program management to encourage innovation.

Synonyms: National Basic Research Program of China

Resource Type: funding resource, regional funding resource, service resource, training service resource

Keywords: china, basic science, research, socioeconomic development, scientists

Resource Name: 973 Program

Resource ID: SCR_011494

Alternate IDs: nlx_156931

Old URLs: <http://www.973.gov.cn/English/Index.aspx>

Record Creation Time: 20220129T080305+0000

Record Last Update: 20260919T195213+0000

Ratings and Alerts

No rating or validation information has been found for 973 Program.

No alerts have been found for 973 Program.
