University of Bath; North East Somerset; United Kingdom (RRID:SCR\_011606)

### Resource Information

**URL:** <http://www.bath.ac.uk/>

**Proper Citation:** University of Bath; North East Somerset; United Kingdom (RRID:SCR\_011606)

**Description:** The University of Bath ranks highly in the league tables of UK universities published by a number of national newspapers, including the Times, Independent and Guardian. Its research is internationally respected, and its students are in demand by employers because of the high quality of the teaching offered here. The University has had close connections with industry and the public and voluntary sectors since its inception in 1966. It has developed strong links with universities abroad. The University's buildings are set in an attractive campus about a mile from the center of Bath, a World Heritage City. It is a safe and friendly campus with strong student services and good social opportunities. Its sports facilities are first-class.
