BWH Specimen Bank

RRID:SCR_012316

Type: Tool

Proper Citation

BWH Specimen Bank (RRID:SCR_012316)

Resource Information

URL: <http://www.scienceexchange.com/facilities/specimen-bank-bwh-harvard>

Proper Citation: BWH Specimen Bank (RRID:SCR_012316)

Description: Core facility that provides the following services: Open repositories service, Sample processing service, Medical/pathology informatics support service, BWH tissue repository service.

The Specimen Bank provides materials to investigators with IRB-approved protocols. Staff are available to assist with selection of samples appropriate for downstream applications, development of processing protocols or preparation of derivatives from clinical materials. IT Staff are also available to assist researchers with creation of queries for prospective sample collection or queries to select samples from specific cohorts. Their goal is to drive quality research in an efficient and cost-effective manner. Each year they provide tens of thousands of samples to area researchers. Getting started: Partners investigators and study staff may request a Crimson user account to help manage studies and collected materials.

Abbreviations: BWH Specimen Bank

Synonyms: Brigham and Women's Hospital Specimen Bank, Specimen Bank (BWH)

Resource Type: biomaterial supply resource, material resource, tissue bank

Keywords: clinical sample processing, clinical sample, clinical study management tool, clinical testing service, diagnostics development, microbial isolates service, tissue procurement, clinical

Resource Name: BWH Specimen Bank
