## Q Squared Solutions Expression Analysis

RRID:SCR\_012497

Type: Tool

---

### Proper Citation

Q Squared Solutions Expression Analysis (RRID:SCR\_012497)

---

### Resource Information

**URL:** <https://www.q2labsolutions.com/genomics-laboratories>

**Proper Citation:** Q Squared Solutions Expression Analysis (RRID:SCR\_012497)

**Description:** Core provides whole genome to focused set gene expression and genotyping assays along with DNA sequencings services, sequence enrichment technologies and bioinformatics support. Platforms utilized include Affymetrix GeneChip, Agilent Sure Select, Fluidigm Access Arrays, Illumina BeadChip, iScan, Genome Analyzer and Hi-Seq, RainDance Technologies RDT 1000 and, the Pacific Biosciences PacBio RS. Expression Analysis offers solutions for challenging specimens such as whole blood and FFPE tissues, as well as nucleic acid isolation and data analysis services.

**Abbreviations:** Q2 Solutions, EA, Q squared solutions, Q2, Q squared

**Synonyms:** Q2 Solutions Expression Analysis, Q 2 Solutions Expression Analysis, Q 2 Expression Analysis

**Resource Type:** commercial organization, access service resource, service resource, core facility

**Keywords:** genomic, genotyping, DNA sequencing,

**Availability:** Available to external user

**Resource Name:** Q Squared Solutions Expression Analysis

**Resource ID:** SCR\_012497

**Alternate IDs:** SciEx\_366

**Alternate URLs:** <http://www.scienceexchange.com/facilities/expression-analysis>

**Record Creation Time:** 20220129T080310+0000

**Record Last Update:** 20260820T054727+0000

---

## Ratings and Alerts

No rating or validation information has been found for Q Squared Solutions Expression Analysis.

No alerts have been found for Q Squared Solutions Expression Analysis.
