Proper Citation: MIMIC II (RRID:SCR_013237)

Description: MIMIC II (Multiparameter Intelligent Monitoring in Intensive Care) Database contains comprehensive clinical data from tens of thousands of Intensive Care Unit (ICU) patients. Data were collected between 2001 and 2008 from a variety of ICUs (medical, surgical, coronary care, and neonatal) in a single tertiary teaching hospital. The database contains clinical data from bedside workstations as well as hospital archives. The database also includes thousands of records of continuous high-resolution physiologic waveforms and minute-by-minute numeric time series (trends) of physiologic measurements.

Synonyms: MIMIC, Multiparameter Intelligent Monitoring in Intensive Care

Resource Type: data or information resource, database

Funding:

Resource Name: MIMIC II

Resource ID: SCR_013237

Alternate IDs: nlx_15477

Record Creation Time: 20220129T080315+0000

Record Last Update: 20250507T060907+0000

Ratings and Alerts

No rating or validation information has been found for MIMIC II.

No alerts have been found for MIMIC II.
