## ReMoto

RRID:SCR\_013831

Type: Tool

### Proper Citation

ReMoto (RRID:SCR\_013831)

### Resource Information

**URL:** <http://remoto.leb.usp.br>

**Proper Citation:** ReMoto (RRID:SCR\_013831)

**Description:** A neuronal simulation software application used to study spinal cord neuronal network systems for muscle control. Users can investigate phenomena at several levels of organization, such as the neuronal membrane level or the whole muscle behavior level. ReMoto can be used to interpret results, validate experimental protocols, and teach neurophysiology.

**Resource Type:** simulation software, software application, software resource

**Defining Citation:** [PMID:18506610](#)

**Keywords:** web application, spinal cord, neural networks, simulation system, muscle control

**Funding:** Research Foundation of the State of S?o Paulo ;  
The National Council for Scientific and Technological Development

**Availability:** Free, Public

**Resource Name:** ReMoto

**Resource ID:** SCR\_013831

**License:** General Public License

**Record Creation Time:** 20220129T080318+0000

**Record Last Update:** 20260810T040620+0000

### Ratings and Alerts

No rating or validation information has been found for ReMoto.

No alerts have been found for ReMoto.
