Proper Citation: MetaMapR (RRID:SCR_014685)

Description: An open-source software program for integrating enzymatic transformations with metabolite structural similarity, mass spectral similarity and empirical associations to generate connected metabolic networks and display results using data visualization techniques.

Resource Type: data visualization software, software application, software resource, data processing software

Defining Citation: PMID:25847005

Keywords: metabolomics, metabolomics tool, enzymatic transformations, metabolite structural similarity, mass spectral similarity, metabolic networks, data visualization, bio.tools

Funding:

Availability: Open source

Resource Name: MetaMapR

Resource ID: SCR_014685

Alternate IDs: biotools:metamapr
