Mayo Clinic Center for Cell Signaling in Gastroenterology Gene Editing and Cell Engineering Core

RRID:SCR_015226
Type: Tool

Proper Citation

Mayo Clinic Center for Cell Signaling in Gastroenterology Gene Editing and Cell Engineering Core (RRID:SCR_015226)

Resource Information

URL: http://www.mayo.edu/research/centers-programs/center-cell-signaling-gastroenterology-c-sig/cores-services/genetics-model-systems-core

Proper Citation: Mayo Clinic Center for Cell Signaling in Gastroenterology Gene Editing and Cell Engineering Core (RRID:SCR_015226)

Description: Core whose services include designing, constructing and validating custom plasmids and other DNA vectors, making custom genome engineering reagents, including TALENs, transposons, bacterial artificial chromosomes and CRISPRs, and providing consults and training on a variety of topics, including rodent and zebrafish transgenic and knockout model development support.

Resource Type: resource, service resource, core facility, access service resource

Keywords: genetics, model systems, genetic tools

Funding: NIDDK P30DK084567

Availability: Available to Mayo Clinic researchers, Limited availability to the research community

Resource Name: Mayo Clinic Center for Cell Signaling in Gastroenterology Gene Editing and Cell Engineering Core

Resource ID: SCR_015226

Record Creation Time: 20220129T080324+0000

Record Last Update: 20250420T020039+0000

Ratings and Alerts

No rating or validation information has been found for Mayo Clinic Center for Cell Signaling in Gastroenterology Gene Editing and Cell Engineering Core .

No alerts have been found for Mayo Clinic Center for Cell Signaling in Gastroenterology Gene Editing and Cell Engineering Core .
