Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Integrated Physiology Core

RRID:SCR_015591

Type: Tool

Proper Citation

Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Integrated Physiology Core (RRID:SCR_015591)

Resource Information

URL: <http://www.jhugicc.org/GIConteCenter/pages/cores/integratedPhysiology.html>

Proper Citation: Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Integrated Physiology Core (RRID:SCR_015591)

Description: Core facility that provides Center investigators and their laboratories the tools and advice needed to establish and study mouse (including transgenic and knockout) and human (i.e. GI organoids) physiology of GI disease.

Resource Type: core facility, access service resource, service resource

Keywords: gi tract, gi disease, gi oranoids, mouse study, digestive disease

Related Condition: digestive disease

Funding: NIDDK P30 DK089502

Availability: Available to affiliated researchers, Available to John Hopkins University, Available to members of the Hopkins Basic Research Digestive Disease Development Center

Resource Name: Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Integrated Physiology Core

Resource ID: SCR_015591

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260811T043524+0000

Ratings and Alerts

No rating or validation information has been found for Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Integrated Physiology Core.

No alerts have been found for Hopkins Conte Digestive Diseases Basic and Translational Research Core Center Integrated Physiology Core.
