# **DISEASES**

RRID:SCR\_015664 Type: Tool

**Proper Citation** 

DISEASES (RRID:SCR\_015664)

#### **Resource Information**

URL: http://diseases.jensenlab.org/

Proper Citation: DISEASES (RRID:SCR\_015664)

**Description:** Database that integrates evidence on disease-gene associations from automatic text mining, manually curated literature, cancer mutation data, and genome-wide association studies. It also assigns confidence scores that facilitate comparison of the different types and sources of evidence.

**Resource Type:** web application, text-mining software, data or information resource, database, software resource, software application

Defining Citation: PMID:25484339

Keywords: disease, gene, disease-gene association, text-mining, , bio.tools, FASEB list

**Funding:** Novo Nordisk Foundation Center for Protein Research NNF14CC0001; European Union Seventh Framework Programme n259348

Availability: Free, Available for download

**Resource Name: DISEASES** 

Resource ID: SCR\_015664

Alternate IDs: biotools:diseases

Alternate URLs: https://bio.tools/diseases

License: Creative Commons Attribution (CC-BY)

Record Creation Time: 20220129T080326+0000

Record Last Update: 20250426T060505+0000

#### **Ratings and Alerts**

No rating or validation information has been found for DISEASES.

No alerts have been found for DISEASES.

### Data and Source Information
