### Resource Information

**URL:** <https://drugs.ncats.io/>

**Proper Citation:** Inxight (RRID:SCR\_016490)

**Description:** Portal of NCATS (the National Center for Advancing Translational Sciences) for drug development information including:US approved drugs, marketed drugs, investigational drugs. Provides manually curated data supplied by the FDA and private companies. Provides drugs marketing and regulatory status, drug ingredient definitions, biological activity and clinical use.

**Resource Type:** data or information resource, database, organization portal, portal

**Keywords:** drug, development, information, approved, marketed, investigational, data, supply, FDA, company, regulatory, status, ingredient, definition, biological, activity, clinical, use

**Funding:** NIH

**Availability:** Free, Freely available

**Resource Name:** Inxight

**Resource ID:** SCR\_016490

**License:** General Public

**Record Creation Time:** 20220129T080330+0000

**Record Last Update:** 20260829T182857+0000
